Dear Judge Drain:
I am a Delphi 14E-CWA
retiree, or am I?

I have a certificate that states I worked
30 years for General Motors, but because
I am not UAW, they can dispose of me.
70,000 of us made a product that helped
M.M. Vehicles run and they made a
profit from our hard work. We are just
seeking fair and equitable treatment.
